Uthixo Uluthando Needs Container To Expand

Uthixo Uluthando branch of Meals on Wheels in Humansdorp, Eastern Cape experiences a stampede for the food whenever they serve meals because there are too many hungry people and there is never enough to go round.

“The branch also needs a container to work from, as we do not have a venue,” says branch manager, Mrs Busisiwe Mboya.

They would like to serve food to school children as well. At the moment they only serve a small amount of food to a clinic. But the demand is great. “We would like to expand our operation,” says Busisiwe. “We feed some children as well as a focus on clinics and TB treatment. We already serve up to 40 people each meal.”

Gas stoves would help as would plastic spoons and plates. Some blankets and toys would also be appreciated
